

Weekly Round Up

Celebration Assembly

Well done to Hudson, Albie, Jack, Freddie and Emilia for being chosen to receive a certificate in this week's Celebration Assembly for their hard work and following school values!

Well done to Jacob and Maeve for being chosen to have Hot Chocolate this week for being an all round fantastic pupil!

Well done to all of our Year 6 pupils who have just finished their SATs exams this week! We are so proud of them all!

End of day collection

A reminder to make sure you have informed the school if your child is going home with someone other than their parent or a grandparent who regularly picks up and is familiar to the school. Either let their teacher or another member of staff know in the morning at drop off or email admin@broughtongifford.wilts.sch.uk. If we have not received a message we will not be able to release your child at the end of the day.

In-school workshops

- Consultation with SENCo/Parent Support Adviser to gauge needs of each family
- Bespoke workshops designed around individual family needs
- Feedback on progress and next steps
- 4-8 families attend 1.5hr long sessions every week for 6 weeks or one off drop in sessions
- Whole family to attend including siblings across the school
- Thrive assessments and action plans if desired
- Opportunity for SENCo/PSA to join in with sessions to support CPD
- All equipment provided, although I would need to use school tables and chairs

A typical session looks like:

- 15 minutes with parents to chat, get to know each other and seek advice over a cup of coffee
- 1 hour of activities with parents and children- active, creative and play based. There will be lots of fun and laughing to be seen!
- 15 minutes with parents after the children return to class. We debrief the session and look for positive strategies to take away and use at home
- Ideally workshops to be held in an area such as the school hall. Access to an outdoor area would be a great addition.

"It is so valuable for families to spend quality time together. Sessions help improve confidence and allow families to have fun together. I would love the opportunity for every family to take part!"
