HEADS UPDATE

Dear Parents

This month we are focusing on the value of honesty.

The children are learning about how our choices have consequences, both good and bad and how these choices affect the way we lead our daily lives.

I'm hoping that they can talk to you about this at home and you will see them having a deeper understanding of being trustworthy and honest.

Have a great weekend

Mrs Taylor

PLANT OR A £1

On Friday 28th May we are inviting the children to come into school in their own clothes to help celebrate Mental Health Awareness week. This year it is linked to gardening, something the children seem to adore here at Larkhill!

In return of the children wearing mufti, we are asking that they bring in either a plant which will be put into our school garden area or a £1.00 donation towards our garden.

YEAR 6 TRIP

Can all Year 6 parents please ensure they have given their consent and made full payment for the trip on ParentPay by Monday 17th May. Thank you.

CENSUS DAY MENU

On Thursday 20th May it is School Census day and this is when the government collects data from our the school.

Our kitchen will be providing a special menu on this day for the children to enjoy.

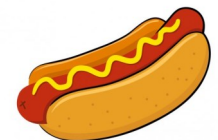

The menu has been emailed to you and is live on Parent Pay where you can now book.

All children in KS1 and children eligible for free school meals will have a school dinner prepared for them and we would encourage all children to try it.

Please can all parents ensure they make their child's selection via Parent Pay by Tuesday evening.

This information impacts our next year's funding and so we would like to ensure Larkhill Primary is in receipt of the maximum amount possible to future proof the success of the school and give our children the best possible resources and staffing.

If you think your child may be eligible for free school meals please contact the school office and they would be more than happy to assist you.
