

Year 2 - Narnia's weekly update

What another fantastic week in Year Two. The children have continued to work hard and we have done so much learning this week.

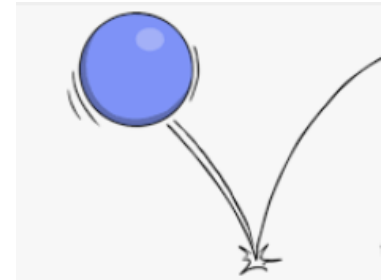

We held a two minutes silence to remember all of the brave soldiers who fought for us in the war.

We watched the poppies animation on Cbeebies and drew our own poppies.

We conducted a class experiment to see which ball was the bounciest.

We found that the tennis ball was the bounciest.

We have been learning lots of new addition methods. Children, wow your grown ups and show them how to add two digit numbers.

In writing this week we have be learning about pronouns and learning how to describe nouns using adjectives. We can't wait to see the children apply this in their work next week.
