

Dear Parents,

We have had a wonderful start to our new term in The Shire. We have been practising our 'Positive Learning Behaviours' as a team this term and we are showing great improvements so well done to all your children for showing perseverance and being good team players.

Attendance

Our attendance has been excellent in term 2. Let's keep going and win the attendance cup. I hope we get to win it again soon, it's so great having the cup in our room.

Home-Learning

Thank you to those of you who complete the reading, maths and spellings each week. I have awarded lots of DoJos to children who have been doing it. Please remember that it is important to read with your child 4 times a week and record it in their reading record when possible.

Catch Up Sessions

Thank you and a huge well done to those of you have gone to catch up sessions. This is incredibly beneficial for your children and Miss Allen and Mrs Price are very pleased with everyone who is attending and working hard.

Anti-Bullying Week

Anti-Bullying Week is next week, we will be taking time to discuss and celebrate our differences, as well as doing a drama activity to show children what to do in that scenario.

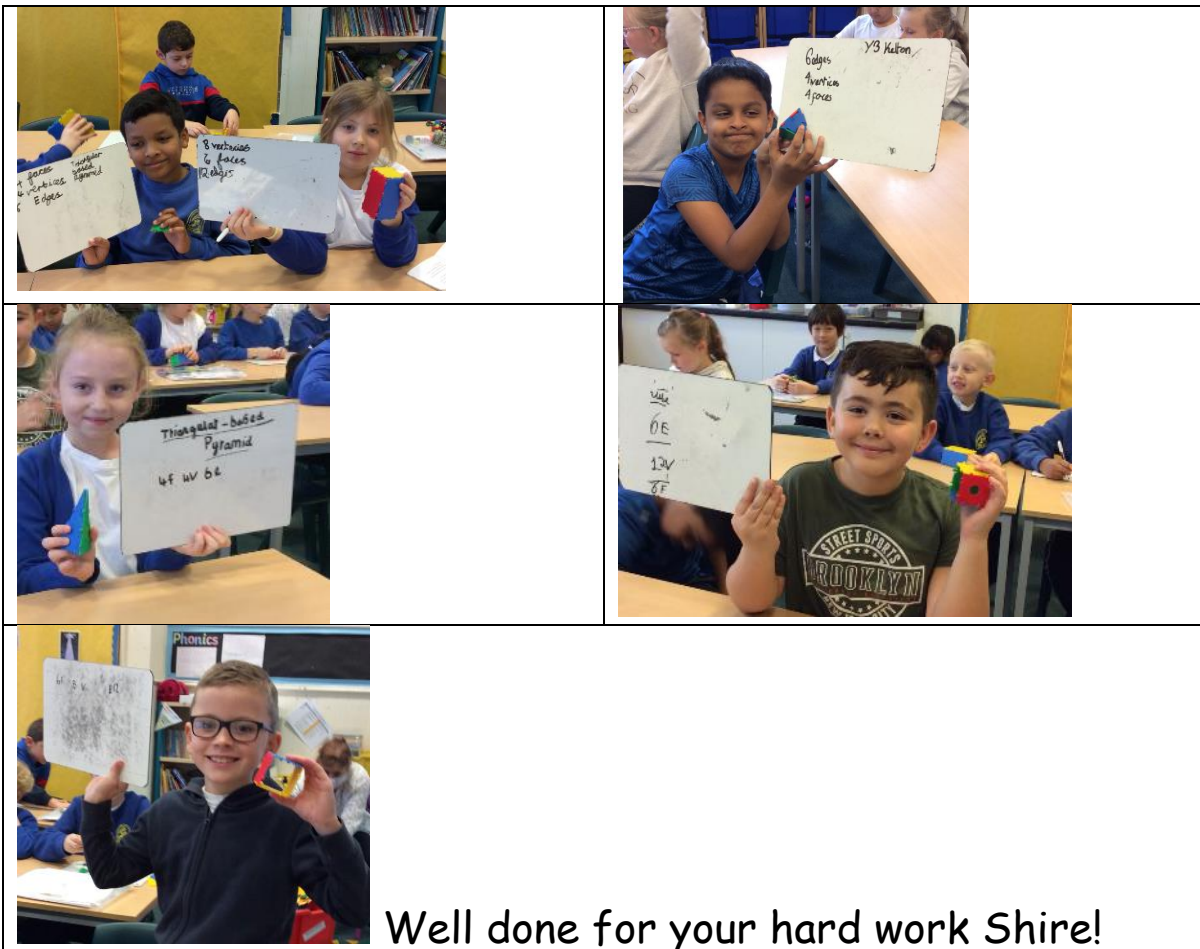

Friday 20th will be a 'dress down' day, to celebrate how unique everyone in the class is.

Reminders

Children must continue to wear masks each day whilst on the playground, I have seen lots of masks so far which is really positive. When picking children up, please remember you must be on the playground and not outside the school gates.

Marvellous Maths

We did some modelling of different 3D shapes, whilst finding the properties of them. Here are some photos:

Well done for your hard work Shire!
