

Autumn Term One

GORSE HILL SCHOOL

Owl's Treetop House Class

Owl's Treetop House class has had a lovely first weeks.

The children have all been busy learning about their new classroom

This term we have been learning all about the numbers 1 and 2, and using these numbers in our play.

We have also had fun learning our Phase One Phonics, listening to all the sounds that are around us from aeroplanes in the sky, to the sound of the rain!

We have especially enjoyed experimenting with all the different musical instruments, and how we can play them quietly and loudly! We really loved playing the musical instruments loudly!

Forest School on Wednesday's has been full of awe and wonder as we have explored the changes happening in Autumn, splashed in the mud,

Mrs Willis, Mrs Hill and Miss Richards
