

Dear Parents/Carers

Attendance:

Camelot Class (Miss Taylor) – 94.76%

Sherwood Class (Mrs King) – 94.06%

I would like to remind parents that they can bring their child into school even if they have a runny nose. However, if children are showing any COVID type symptoms please keep them home from school, contact the school office and follow NHS guidelines.

Face masks & Dropping off/Collecting

I would also like take this time to remind you to please wear a mask upon entering the school grounds to drop off or collect your child. This keeps other adults, staff and the children safe and minimises risk. Please also ensure you are on the school grounds when dropping off or collecting your child from school and follow the one-way system when leaving. This is so teachers and parents can both guarantee the child's safety when entering and leaving school.

Home Learning

The home learning, we have received is outstanding and I have enjoyed looking at all the things they have been doing at home. I will be giving children stickers and certificates for home learning they have completed for school. We are aware of some issues on Tapestry and are looking to resolve this. Should you have any issues accessing Tapestry, please let me know through email.

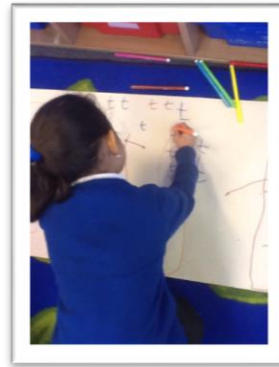

Every week we will be sending home writing sheets for your children to practice writing the letters they have learnt in school. To those that are ready to read, we will also be sending home books and word cards to practice reading at home.

Anti-Bullying Week

Next week is anti-bullying week and we will be sharing in PSHE sessions how we treat others with respect and how to care for others. We maintain these values in our class and will be using sentence stems to practice how we talk to each other with manners and respect.

Learning in School

We have been learning our sounds and how to write them. We have enjoyed writing letters using pens and large paper.

We have also been learning how to describe, and have been making our own aliens and describing what they look like.

Kind regards,

Miss Taylor and Mrs King
