## Welcome to Year 5

\*

I am extremely excited to be your teacher again for a second year. I am sure we will have as much fun in year 5 as we did in year 4.

You have amazed me from the beginning of year 4 all the way through - including during lockdown so I am excited to see all the different ways you can amaze me again next year.

Not only do you have me again next year but we are lucky enough to have Mr Lovell back in class as well and we will be welcoming Miss Payne into Neverland class for the first time.

I have been busy at school making sure our classroom is ready for us to go back and do some fantastic learning and Mr Tudgay has also been busy moving my board and putting up some big whiteboards for me to use next year as well - as you know I love to use my whiteboard in lessons.

As I haven't seen you all in so long I would like you to all send me a photo of some art work. I would like you to try doing a self-portrait - you can use anything to make it including pencils, pens, paint, leaves from outside, or anything else you can think of. I look forward to seeing how creative you can be.

Mr Lovell, Miss Payne and I are all looking forward to seeing you in September, have a fabulous summer break and well see you in year 5!
