

Year 1 Newsletter - Term 1

WOW, what an amazing start to the new school year. The children have returned to school with smiles on their faces, a spring in their step and they have shown that they are ready to learn. What more could we ask for in Year One?

Homework

We would like to say a huge well done to the children for continuing their learning at home. We have been really impressed with the amount of reading and maths practice that the children have been doing at home. Thank you parents for your continued support. It is making a huge difference to the children's learning.

Forest School

Please remember that the children have Forest School every Tuesday. We don't let the rain put us off so please send your children in appropriate clothing for all weather conditions.

PE

Our PE day is Thursday. Children need to come to school dressed in their PE kits in the morning:

Blue or black jumper and joggers.

White t-shirt

Trainers

Most of our PE sessions are done outside so children need to be dressed so that they are warm.

Well done Year One ★

Well done an amazing first term back at school. We are looking forward to an even more amazing term 2. Thank you parents for your continued support.
