

Welcome to Year 2

The Year 2 team hope that you have all had a good summer and a well-deserved rest. As a school we have been working hard for this to be a safe and enjoyable place to be and we are super excited to welcome you all back and get stuck into a new year following the 'new normal'. We cannot wait to see all of your smiley faces. 😊

What you will need:

It is important that you **only** bring the following items to school:

Lunch box

snack

Coat

Water bottle

Mask

Please bring a wallet for your mask so that your mask can be safely stored during class time.

P.E days:

Year 2 will have P.E on a **Monday** and **Thursday**. It is important that all children come into school wearing their P.E kit and they will keep this on all day. Children will not be getting changed in school therefore your child will not be required to bring any spare clothes.

Bubbles:

A reminder that all children will remain in their classroom bubble and will not mix with any children from any other bubbles.

But that doesn't mean that we can't wave to each other across the playground or maybe see our friends through ZOOM call.

Classroom rules:

We have always had classroom and school rules but this year they might look a little bit different. To work together and keep us all safe they **must** be followed at all times but don't worry we will explain and show all of this to you on your first day back. 😊

Masks:

Masks must be worn by all children and all adults when entering, leaving and moving around the school. Masks will be removed and stored in your own plastic wallet when you are in the classroom. I can't wait because I feel a little bit like a super hero when I wear my mask!
