Experiences this term

Beans and caterpillars!

During our first week, we will be walking to the garden centre and buying our own runner beans. When we get back to Nursery, we will plant them, look after them and use our experience to make our own garden centre role-play. In our second week back we will be caring for some animals too. We will be watching caterpillars grow, make cocoons and turn into butterflies! A very exciting start to the term. 😊

Zoo Lab

We are also going to have a visit from the Zoo Lab. The ranger brings in lots of different reptiles and invertebrates for children to see. It is a very exciting opportunity for the children, I am sure you will agree! As shared with you before the Easter holidays, we are asking you to pay for your child to enjoy this treat. End-of-year school trips will not be taking place this year and so we want to bring experiences to the children instead. Head to ParentPay to pay for your child.

Parent-funded additional hours

Thank you to those parents that have paid for their child to stay all day. Please keep your eyes peeled for term 6's parent-funded hours letter. To help your child with their transition into Reception, you may want to consider paying for your child to stay all day for a few weeks in the last term.

Reading

Reading continues to be a priority and we do expect the children to share their books regularly at home. Remember to fill in the reading record with ANY book read at home (including own books, library books and school books) as once your child has read 30 times, they will be able to collect a certificate and a prize! Your child will change their school book daily.

Class Dojo

Please upload photos to your child's ClassDojo portfolio regularly. We share our news as often as possible and the children love to have their news read out, adding their own information too. Thank you to those that have shared pictures on Dojo. A weekly/fortnightly update about your weekends and/or new achievements are great to share.

Just a few reminders...

Please ensure all uniform is named and please ensure bottles are renamed too when they are washed off. Any more snack contributions are to be paid through ParentPay.

Many thanks for your continued support,

Miss Godfrey
