

All work to be returned on
Friday 20th May 2022

Make your own clock.
Can you use it to make
o'clock and half past?
Take pictures and write
down the time next to it.

Go on Google Maps and go on the
satellite view. This is a bird's eye
view of the place you are looking at.
Look for your house - can you find
it? What about our school? What
other local things can you find?

Create your own alien! You
could sketch, make a model
using play doh or pipe cleaners
etc. Write some sentences
about it i.e. what is its name?
What planet does it come
from? What does it eat?
What does it look like?

Research some famous
astronauts. Can you type the
facts you find on 2Publish on
Purple Mash?

Year 1
Pick and Mix Homework
Term 5

Design a space suit for an
astronaut. Think about the
properties it will need to have.
Does it need to be waterproof,
reflective, shiny, flexible?

Skills to practise
EVERY DAY!

Read for 10 minutes
Learn and practise your phonics
sounds and your spellings.
Practise your 2, 5 and 10 times
tables.

Show us your racket skills!
Can you send a ball with
it?
Can you hit a ball over a
net?

Write a setting
description of your very
own made-up planet!

Year 1 Homework

Pick and Mix Home Learning

Thank you for your super response to our approach to home learning. The children were so proud of their homework last term and it certainly enhanced their learning in school. We hope that you also enjoyed working on it together and will continue this support as the year progresses.

In addition to the essential daily reading and spelling and phonics practice, we have provided a choice of 7 different tasks. These cover a range of subjects within our Blast Off! topic.

Encourage your child to complete **at least 1** of these tasks.

You may complete more if you wish or, if you have any additional ideas of your own, please feel free to do them as part of your Home Learning.

You may produce your home learning in any way you wish and spend as much time on it as you would like. Of course, we encourage you to present your work as well as possible. You have lots of time for this, so spread the tasks out.

Please put your completed homework on **Class Dojo** by **Friday 20th May** to share with the rest of your class. We will then share the children's exciting home learning with the rest of the class. We look forward to seeing all the wonderful work that you produce!
