

# Year 3 and 4 Newsletter

Our topic this term is 'Teacup'. We will be exploring the text 'Teacup by Rebecca Young'. To kickstart our topic, we will be going to Southbourne Beach to explore the local pollution and the human and physical features of the area.

In our writing, we are focussing on the book Teacup by Rebecca young. We will explore the life of a refugee and the characters journey to a new land. Our outcome will be to rewrite the story but from the point of view of the egg cup girl.

In DT, the children will make their own teacups to plant their own seeds in, just like our main character. We will then observe the plants grow in our Science lessons.

## PE

Year 3 and 4 PE days will be on Wednesday and Thursday. Please ensure that your child has their PE kit in on those days.

Our value this term is:

Aspiration

## Homework

Please make sure you support your reading and times tables as much as possible. Children will have a range of activities to complete each week.

Please make sure that they read with somebody at least **3 times a week**.

Thank you.

## A New Horizon Challenge:

We would like you to create a new land for our character to journey to. Think about what your land could offer, what's exciting about it, what's eye-catching?

You can draw or write about your land to persuade our character to come and visit!

If you decide to join the challenge, please bring in or e-mail your designs and we can showcase them in class. Please make sure this is done by the 20<sup>th</sup> May 😊
